## UNIQUE STUDENT IDENTIFIER (USI)

---

**\*The following information is directly from [usi.gov.au](http://usi.gov.au)**

If you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI). This includes studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course.

A USI gives you access to your online USI account which is made up of ten numbers and letters.

It will look something like this: **3AW88YH9U5**.

In time, your USI account will contain all your nationally recognised training records and results from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI

is that you will have easy access to your training records and results throughout your life.

You can access your USI account online from a computer, tablet or smart phone anywhere and anytime.

### DO YOU NEED A USI?

You will need a USI when you enrol or re-enrol in training if you are a:

- ❖ student enrolling in nationally recognised training for the first time, for example if you are studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course;
- ❖ school student completing nationally recognised training; or
- ❖ student continuing with nationally recognised training.

You are a continuing student if you are a student who has already started your course in a previous year (and not yet completed it) and will continue studying after 1 January 2015.

Once you create your USI you will need to give your USI to each training organisation you study with so your training outcomes can be linked and you will be able to:

- ❖ view and update your details in your USI account;
- ❖ give your training organisation permission to view and/or update your USI account;
- ❖ give your training organisation view access to your transcript;
- ❖ control access to your transcript; and
- ❖ view online and download your training records and results in the form of a transcript which will help you with job applications and enrolment in further training.

If you are an international, overseas or an offshore student please visit [usi.gov.au](http://usi.gov.au) for more information.

### HOW TO GET A USI

It is free and easy for you to create your own USI online.

While you may create your own USI, training organisations are also able to create a USI for you. Training organisations should do this as part of the enrolment process when you begin studying.

Where this service is provided, training organisations will let you know.

### STEPS TO CREATE YOUR USI

The following steps show how you can create a USI:

If you do not have proof of ID from the list above, you can contact your training organisation about the other forms of ID they can accept to help you get a USI.

**Step 2:** Have your personal contact details ready (e.g. email address, or mobile number, or mailing address).

**Step 3:** Visit the USI website at: [usi.gov.au](http://usi.gov.au).

## FREQUENTLY ASKED QUESTIONS

---

### What are the benefits of enrolling with All About Hair & Beauty Training?

- ❖ We are a local company and are just a phone call away. If you want something we will do our utmost to help you as quickly as we can.

We do not believe one size fits all. Everyone has different needs and we are flexible. Our aim is to work with you to address your individual requirements which may mean more one to one training, or less frequent visits to us and where possible we will work around your busy days

### Are learners expected to pay for their course upfront?

- ❖ We require learners to pay two units at a time upfront, so their payments are always ahead of their learning.

Therefore, initially they would have to pay \$100 for their text book and for the first two units they are enrolling in. Thereafter, they would need to ensure they pay two units ahead each time.
